		State	
		Zip	
E-mail Address			
Boiler Installation includes: (check one)			
<input type="checkbox"/> Integrated Domestic Hot Water   or <input type="checkbox"/> Indirect Domestic Hot Water System <input type="checkbox"/> None of the Above			

## Supporting Documentation Checklist\*

- Completed 2013 Residential Furnace and Natural Gas Boiler Rebate Form
  - A copy of your recent electric and/or gas utility bill (as applicable).
  - Contractor Invoice and Paperwork Listing:
    - Date of purchase
    - Make and model number(s)
- Mail to: **EFI – CT Furnace and Natural Gas Boiler Rebate Program  
40 Washington Street  
Suite 2000  
Westborough, MA 01581**

\*These items must accompany each Application. Be sure to make a copy of your Application for your records.

## New Equipment Information (this section to be completed by contractor)

Equipment Type	Install Date	Manufacturer/ Brand	Model Number	AFUE	AHRI Ref. No.	Total Incentive
(Example) Oil Furnace	01/01/13	ACME	12345	.92	12345	\$200.00

## Sign Here

By signing this Application below, I certify that all the information described in this Application and all documents provided with this Application are accurate and true and that I have read and understand the 2013 Residential Furnace and Natural Gas Boiler Rebate Program TERMS AND CONDITIONS on the back of this form. By signing this Application, I further certify that the qualifying Equipment is installed for use in the Connecticut residential address stated

Customer Signature (required)	Date	Installing Contractor Signature (required)	Date

You may be eligible for federal tax credits. Please refer to [www.energystar.gov](http://www.energystar.gov) for more information.

## TERMS AND CONDITIONS

**ELIGIBILITY:** Incentives are available to all Connecticut Light & Power Company, United Illuminating Company, Connecticut Natural Gas Corporation, Southern Connecticut Gas Company or Yankee Gas Company residential customers ("Customer") who purchase and install a qualifying furnace and/or natural gas boiler ("Equipment") on or after January 1, 2013 through December 31, 2013. Equipment must be installed by a licensed contractor in the service territory of the participating electric or gas utility.

**APPLICATION OFFER:** The 2013 Residential Furnace and Natural Gas Boiler Rebate program ("Program") covers qualified Equipment purchased and installed on or after January 1, 2013 through December 31, 2013. Details of this Program, including incentive levels, are subject to change or cancellation without prior notice. **This Application with required documentation must be postmarked by January 31, 2014. Funding for this Program is limited to the period indicated or while funds last.** For more information, please call 877-WISE-USE (877-947-3873).

**PROOF OF PURCHASE:** A contractor's invoice listing the date of purchase, make and model number(s) and your recent electric and/or gas utility bill (as applicable) must accompany each Application..

**APPLICATION:** This Application must be filled out completely, truthfully and accurately. The Customer and contractor must each sign the completed Application and it must be submitted along with the **PROOF OF PURCHASE** requirements listed above.

**PAYMENT:** Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the Application. **Please Call EFI at 1-877-364-4217 if you have any questions about your rebate incentive.**

**APPROVAL AND VERIFICATION:** Connecticut Light & Power Company, United Illuminating Company, Connecticut Natural Gas Corporation, Southern Connecticut Gas Company or Yankee Gas Company ("Participating Utility Companies") reserve the right to verify sales transaction and to have reasonable access to your residence to inspect the Equipment installed under this Program prior to issuing incentives for up to one year after date of this Application.

**TAX LIABILITY:** Participating Utility Companies will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of rebate incentives.

**ENDORSEMENT:** Participating Utility Companies do not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this Program.

**LIMITATION OF LIABILITY:** Participating Utility Companies' liability is limited to paying the rebate incentive specified and are not liable for any damages arising out of or resulting from participation in this rebate offer, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages, or for any damages in tort connected with or resulting from participation in this Program.

**OWNER'S CERTIFICATION:** Owner certifies that he/she has purchased the Equipment listed on the other side of this Application and the Equipment was installed by a licensed contractor at the defined location. Owner agrees that all information is true and that he/she has conformed to all Program and Equipment requirements listed.

**WARRANTIES:** PARTICIPATING UTILITY COMPANIES DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. Participating Utility Companies make no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding Equipment or services provided by a manufacturer, contractor or vendor. Contact your contractor for details regarding Equipment performance and warranties.

**FORWARD CAPACITY MARKET AND CLASS III CREDITS:** By signing this document and as a condition to receiving a rebate pursuant to this Program, Customer hereby assigns to its participating electric utility, either CL&P or UI (as the case may be), any and all payments, benefits and/or credits in connection with the Forward Capacity Market or any currently existing or successor or replacement markets, (including, but not limited to, any and all "LICAP", "ICAP", transitional credits or payments or any and all other capacity-related credits, payments and/or benefits for which Customer is eligible) and that are associated with or applicable to Customer's participation in this Program. Customer hereby assigns to either CL&P or UI (as the case may be) all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits and shall take any and all action, including executing and delivering any and all documents and/or instruments, as requested by either CL&P or UI (as the case may be) to evidence the same. Forward Capacity Market means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the Forward Capacity Market, or any successor or replacement market/capacity procurement process.

In accordance with the Department of Public Utility Control's ("DPUC", now known as the Public Utilities Regulatory Authority or "Authority") September 29, 2008 decision in Docket No. 05-07-19RE01, DPUC Proceeding to Develop a New Distributed Resources Portfolio Standard (Class III) – 2007 Revisions, (as supplemented by the Department February 11, 2010 decision in Docket No. 05-07-19RE02), Customer is not to receive or retain any Class III renewable energy credits in connection with this Program and Customer hereby acknowledges and agrees the same. Customer further acknowledges and agrees that such credits shall be retained by either CL&P or UI (as the case may be) for the benefit of their Customers through the Energy Efficiency Fund. In the event that the Authority amends or modifies the allocation of Class III conservation credits as reflected in its September 29, 2008 decision, then the allocation of such credits utilized by either CL&P or UI (as the case may be) shall be the allocation in effect (per the applicable Authority decision) on the date that the Customer submitted its rebate Application documents to either CL&P or UI (as the case may be).

Customer further acknowledges and agrees that Customer is not to retain or receive any environmental credits or benefits that may be ascribed or attributed from time to time to Customer's participation in this Program and any and all such benefits or credits shall be retained by either CL&P or UI (as the case may be) for the benefit of their Customers through the Energy Efficiency Fund.

### Replacement Furnace Minimum Efficiency Levels / Incentive Schedule

Eligible Equipment Type	Minimum Efficiency For Incentive	Incentive Per Unit
Natural Gas Warm Air Furnace <sup>1</sup>	AHRI <sup>2</sup> Rated CEE Tier II Criteria of 95% AFUE <sup>3</sup> and furnace fan efficiency "e" <sup>4</sup> less than or equal to 2%*	\$600
Oil Warm Air Furnace	AHRI Rated 86% AFUE and furnace fan efficiency "e" less than or equal to 2%*	\$200
Propane Warm Air Furnace	AHRI Rated Furnace Criteria of 95% AFUE and furnace fan efficiency "e" less than or equal to 2%*	\$200
Natural Gas Boiler	ENERGY STAR <sup>®</sup> qualified, AHRI Rated 90% AFUE with Temperature Reset or Purge Control	\$750

1 Eligible natural gas furnace installation outside of CL&P and UI territory is only eligible for \$360 rebate incentive.

2 AHRI – Air-Conditioning, Heating and Refrigeration Institute. All equipment must be rated in the AHRI Unitary or Applied Air Conditioning Directories. Both can be found online at [www.ahridirectory.org](http://www.ahridirectory.org).

3 AFUE - Annual Fuel Utilization Efficiency

4 "e" furnace fan efficiency can be found directly at [www.cee1.org](http://www.cee1.org) or at [www.ahridirectory.org](http://www.ahridirectory.org)

CEE – Consortium for Energy Efficiency – [www.cee1.org](http://www.cee1.org)

\* Both measures with applicable eligible efficiency levels must be made to qualify for incentive.
