## TERMS AND CONDITIONS

**ELIGIBILITY:** Incentives are available to all existing home Connecticut Light and Power Company ("CL&P") or The United Illuminating Company ("UI") residential electric service customers ("Customer") who purchase and install an eligible high efficiency heating and/or cooling system ("System") on or after January 1, 2013 through December 31, 2013. System must be installed in the service territory of the participating electric utility and by a licensed contractor. Eligible Systems are: **electric central air conditioning and air source heat pump systems of MATCHED ASSEMBLY in which both the condenser unit and the evaporator coil are installed simultaneously.** A matched assembly is a model combination that is listed in the AHRI Directory of Directory of Certified Product Performance. A matched assembly shall also include the air handler; furnace; or other component that is used to determine the rating according to ANSI/AHRI STANDARD 210/240-2008 found at [www.ahridirectory.org](http://www.ahridirectory.org).

**APPLICATION OFFER:** The 2013 Residential ENERGY STAR® Heating and Cooling System Rebate program ("Program") covers eligible Systems purchased and installed on or after January 1, 2013 through December 31, 2013. Details of this Program, including incentive levels, are subject to change or cancellation without prior notice. **This Application with required documentation must be postmarked by January 31, 2014. Funding for this Program is limited to the period indicated or while funds last.** For more information, please call 1-877-WISE-USE (877-947-3873).

**PROOF OF PURCHASE:** A contractor's invoice listing the date of purchase, condenser, coil and fan model and serial numbers, the purchased system type and make, the AHRI certificate number (a published manufacturer's certificate indicating the installed assembly was tested under AHRI test conditions and includes the SEER, EER and HSPF ratings is acceptable in lieu of the AHRI certificate) verifying System as a matched assembly, and your recent electric utility bill must accompany each rebate Application.

**APPLICATION:** This Application must be filled out completely, truthfully and accurately. The Customer and contractor must each sign the completed Application and it must be submitted along with the **PROOF OF PURCHASE** requirements listed above.

**PAYMENT:** Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the Application. **Please Call EFI at 1-877-364-4217 if you have any questions about your rebate incentive.**

**APPROVAL AND VERIFICATION:** CL&P and UI reserve the right to verify sales transaction and to have reasonable access to your residence to inspect the System installed under this Program prior to issuing incentives for up to one year after date of Application.

**TAX LIABILITY:** CL&P and UI will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of rebate incentives.

**ENDORSEMENT:** CL&P and UI do not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this Program.

**LIMITATION OF LIABILITY:** CL&P and UI's liability is limited to paying the rebate incentive specified. CL&P and UI are not liable for any damages arising out of or resulting from participation in this rebate offer, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages, or for any damages in tort connected with or resulting from participation in this Program.

**OWNER'S CERTIFICATION:** Owner certifies that he/she has purchased the system listed on the other side of this Application and the System was installed by a licensed contractor at the defined location. Owner agrees that all information is true and that he/she has conformed to all Program and System requirements listed.

**WARRANTIES:** CL&P and UI DO NOT WARRANT THE PERFORMANCE OF INSTALLED SYSTEM, EXPRESSLY OR IMPLICITLY. CL&P and UI makes no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the System or services provided by a manufacturer, contractor or vendor. Contact your contractor for details regarding System performance and warranties.

**FORWARD CAPACITY MARKET AND CLASS III CREDITS:** By signing this document and as a condition to receiving a rebate pursuant to this Program, Customer hereby assigns to its participating electric utility, either CL&P or UI (as the case may be), any and all payments, benefits and/or credits in connection with the Forward Capacity Market or any currently existing or successor or replacement markets, (including, but not limited to, any and all "LICAP", "ICAP", transitional credits or payments or any and all other capacity-related credits, payments and/or benefits for which Customer is eligible) and that are associated with or applicable to Customer's participation in this Program. Customer hereby assigns to either CL&P or UI (as the case may be) all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits and shall take any and all action, including executing and delivering any and all documents and/or instruments, as requested by either CL&P or UI (as the case may be) to evidence the same. Forward Capacity Market means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the Forward Capacity Market, or any successor or replacement market/capacity procurement process.

In accordance with the Department of Public Utility Control's ("DPUC", now known as the Public Utilities Regulatory Authority or "Authority") September 29, 2008 decision in Docket No. 05-07-19RE01, DPUC Proceeding to Develop a New Distributed Resources Portfolio Standard (Class III) – 2007 Revisions, (as supplemented by the Department February 11, 2010 decision in Docket No. 05-07-19RE02), Customer is not to receive or retain any Class III renewable energy credits in connection with this Program and Customer hereby acknowledges and agrees the same. Customer further acknowledges and agrees that such credits shall be retained by either CL&P or UI (as the case may be) for the benefit of their Customers through the Energy Efficiency Fund. In the event that the Authority amends or modifies the allocation of Class III conservation credits as reflected in its September 29, 2008 decision, then the allocation of such credits utilized by either CL&P or UI (as the case may be) shall be the allocation in effect (per the applicable Authority decision) on the date that the Customer submitted its rebate Application documents to either CL&P or UI (as the case may be).

Customer further acknowledges and agrees that Customer is not to retain or receive any environmental credits or benefits that may be ascribed or attributed from time to time to Customer's participation in this Program and any and all such benefits or credits shall be retained by either CL&P or UI (as the case may be) for the benefit of their Customers through the Energy Efficiency Fund.
